## EDITORIAL AND VICE-CHANCELLOR'S MESSAGE

### Editorial

I am happy to place before you the University News Letter Vol-VI, Issue-2 for the period July-December, 2010, Vol-VII, Issue-1&2 for the period January-June, 2011 and July-December, 2011 and Vol-VIII, Issue 1 for the period January-June, 2012. The delay in bringing out of this News Letter was caused due to complete damage of hard disk of the computer due to major power fluctuation and consequent non-compilation of information at this Directorate by previous Directors and also due to severe shortage of staff coupled with heavy work load. All major events including achievements made by the staff of the University in teaching, research and extension have been included. Good number of national seminars, conferences and workshops were organized in the field of veterinary, dairy and fisheries. Many trainings on scientific fish and prawn farming, value addition of milk and milk products were arranged for the benefit of farmers, entrepreneurs and departmental officers. Some of our staff, teachers and students made the University proud by achieving distinction in sports, bagging national award for best teacher, young scientist award, best paper presentation award and even many of our students are successful in getting fellowship to pursue higher studies in some of the prestigious Universities in the world. Hon'ble Chief Minister of Karnataka Sri. B. S. Yediyurappa and Hon'ble Minister for Animal Husbandry Sri. Revu Naik Belamagi visited Veterinary College, Hebbal and Shivamogga respectively and reviewed the progress.

### Vice-Chancellor's Desk

#### "Greetings to all"

I am happy to note that Vol-VI, Issue-2 for the period July-December, 2010, Vol-VII, Issue-1&2 for the period January-June, 2011 and July-December, 2011 and Vol-VIII, Issue 1 for the period January-June, 2012 of University News Letter is finally in your hands. The Director of Extension & Chief Editor has explained the reasons for the in-ordinary delay in bringing out above issues. Hope the next issue will be brought out in time. This news letter contains important activities organized and milestones achieved during the period. Though the University has made steady progress in teaching, research and extension activities, still lot more has to be done by all of us.

Few of our teachers and students have made the University proud by bagging Bharatha Ratna Dr. C. Subramanya Award for outstanding teacher, Young Scientist Awards, Best Paper Presentation Award, Women Scientist Award, Best M.V.Sc. Thesis Award etc.

In the field of research, more than 30 research projects are under progress in Veterinary, Dairy & Fisheries sciences during the period.

The University organized several national and state level seminars, conferences, workshops, field days, interactive sessions in the field of veterinary, animal husbandry, dairy and fisheries sciences for the benefit of scientists, students and farmers. During this period 4<sup>th</sup> & 5<sup>th</sup> convocations were held on 17<sup>th</sup> Jan. 2011 and 17<sup>th</sup> Jan. 2012 respectively.

To popularize the technological innovations to the farming community, Krishimelas, animal health camps, Giriraja bird distribution and Matsya melas were organized.

The staff of our University achieved distinction in sports by earning a podium finish in an INRC event in motor sports in India. In addition to this, inter-collegiate youth festival and inter-collegiate sports meets were also organized.

Hon'ble Chief Minister Sri. B. S. Yediyurappa and Hon'ble Minister for Animal Husbandry Sri. Revu Naik Belamagi visited Veterinary College, Hebbal and Shivamogga respectively during this reporting period and reviewed the progress of these colleges. Sri Revunaik Belamagi performed Bhoomi Pooja for construction of Dairy Science college at Gulbarga during this period.

During this period, 38 of our staff were superannuated and the University appointed several officers of the University and Colleges. Besides this, good number of Professors, Associate Professors & Assistant Professors were appointed to various colleges.
