VOL - 2

ISSUE - 2

JULY-DECEMBER, 2006

Vice-Chancellor Desk

It gives me great pleasure to publish the Vol-II, Issue -2 half yearly bulletins of Karnataka Veterinary, Animal and Fisheries Sciences University, Bidar for the period July-December 2006. The earlier volumes published from our University received tremendous appreciation from sister universities and department of State

Animal Husbandry. We convey whole hearted thanks to them for showing keen interest with valuable suggestions.

It is a matter of pride that we have completed two years of our existence and we have attained a status of full fledged University. We have completed the recruitment of Assistant Professors in various faculties such as Veterinary, Animal, Poultry, Dairy and Fisheries Sciences, as per the VCI and ICAR Norms. The University also celebrated Teacher's Day and Inaugurated SC/ST Employees Association. It is a proud moment to release a fast growing variety of fish called AMUR and also a dual purpose poultry breed named SWARNADHARA for both meat and egg production. We complement the groups involved in their activities. Our teachers and scientists participated in various extension activities. Mr. Ismail Jawid First Year B.V.Sc., student won National and International Champion in Equestrian. I congratulate & complement him. I wish this news letter gives you an insight of some of the activities of university.
