Veterinary College, Shivamogga -577204, Karnataka, India.

Karnataka Veterinary Animal and Fisheries Sciences University, Bidar, Karnataka

Dear Friends and Colleagues,

On behalf of the organizing committee of ISVPT-2025, it is indeed a great pleasure to invite you all to the 25th Annual Conference of Indian Society of Veterinary Pharmacology and Toxicology (ISVPT), organized by Department of Veterinary Pharmacology and Toxicology, Veterinary College, Shivamogga -577204, Karnataka, India. This Annual Conference will attempt to provide a scientific and academic feast of latest developments in the field of translational research for drug discovery and development to explore bio-prospecting and repurposing of existing therapeutics to curb the ever-developing menace of drug resistance. In addition, the conference will also provide a platform to our young budding researchers, academicians and fellow scientists to interact and exchange views, and help to improve the understanding of therapeutics in current scenario. At the same time this conference will also create opportunities for connecting with leaders in the field of pharmacological and toxicological research across India. Very relevant are the recent advances, developments and increasing influences on deteriorating environmental health, ISVPT-2025 shall prove to be a superb opportunity to experience first-hand methodologies to challenge environmental safety through bioremediation. Shivamogga, often called the “Gateway to the Malnad,” is a culturally rich city in Karnataka. The city is well connected with the neighboring cities and other major cities of India through all modes, airways, railways and roadways. The temperature in Shivamogga during November is most comfortable and favorable.

Prepare yourself for an exciting journey of the mind, exploring the fascinating world of Pharmacological and Toxicological Sciences to witness highly interactive intellectual sessions. The fundamental study to its connections with other fields and subjects and take the chance to listen to lectures by experts, join hands-on workshops, and share your research with people from all over India. We look forward to your presence along with your family and colleagues, seeking active participation in large numbers for a scintillating experience, which is sure to leave you with numerous fond memories.

SPECIAL ATTRACTIONS OF THE CONFERENCE :

1. **“National Veterinary Pharmacology and Toxicology Quiz” (ISPVTNVPT Quiz-2025) for undergraduate students of Veterinary Profession.**
2. **Pre-conference Workshop on the "Leveraging Artificial Intelligence in Veterinary Drug Discovery : Opportunities and Challenges”**

KVAFSU, BIDAR -THE HOST UNIVERSITY

Realizing a two-decade lag in the development of animal husbandry, dairy, and fisheries under existing agricultural universities, the Government of Karnataka established the Karnataka Veterinary, Animal and Fisheries Sciences University (KVAFSU) through the Karnataka Act No. 9 of 2004. The Act was published in the Karnataka Gazette Extraordinary on 23rd February 2004. KVAFSU was created with a focused mandate to promote education, research, and extension in veterinary, animal, dairy, and fisheries sciences across the state. Its logo, inscribed with the motto “Farmers Friendly and Rural Oriented”, reflects its commitment to the farming community.

KVAFSU functions autonomously under its Board of Management, which governs the university as per the Act and statutes. The Finance Committee, Academic Council, Board of Studies, Research Council, and Extension Education Council manage finances, academics, research, and extension activities respectively.

The University aims to provide quality higher education in veterinary, animal, and fisheries sciences; promote advanced research in these and allied sciences; extend specialized knowledge and technologies to rural farmers; and undertake other objectives as may be notified by the State Government from time to time.

KVAFSU aims to lead in teaching, research, and extension, embracing emerging scientific paradigms to build skilled human resources and innovative technologies for the benefit of the livestock and fisheries sectors.

DEPARTMENT OF VETERINARY PHARMACOLOGY AND TOXICOLOGY

The host Department is well recognized for its scientific contribution towards bio-prospecting of indigenous biomolecules as well as repurposing of existing pharmacophores. The Department was established in the year 2007 and as of now 16 batches of the UG students completed the degree. A total of 16 M.V.Sc students have been awarded with M.V.Sc degree. Department is actively involved in organizing conferences/seminars/training-cum-workshop since its inception.

Faculties and students of the department have the credential to achieve prestigious awards from ICAR, DBT, CSIR and Different National Academies and Societies.

This year we are organizing this mega event of 25th Annual Conference of Indian Society of Veterinary Pharmacology and Toxicology. The Department had handled more than 12 extramural research projects from different national and international funding agencies worth of Rs :15 crores and developed the state of art equipment facilities.

SHIVAMOGGA

Shivamogga, often called the “*Gateway to the Malnad*,” is a culturally rich city in Karnataka located on the banks of the Tunga River. Historically, it was part of the Keladi Nayaka kingdom, which played a key role during the post-Vijayanagara period. The city is known for its lush greenery, heritage, and contribution to Kannada literature and education. The city’s central location and growing infrastructure make it easily accessible from various regions of South India and beyond.

Nearby attractions include Jog Falls, one of India’s highest waterfalls, formed by the Sharavathi River. Keladi, just 8 km from Sagar, holds the historical Keladi Fort and Rameshwara Temple with exquisite Dravidian architecture. Agumbe, known as the “Cherrapunji of the South,” is famous for sunsets and rainforest ecology. Ikkeri, with its Aghoreshwara Temple, is another notable site of Nayaka-era architecture. Sakrebailu Elephant Camp, located on the outskirts of Shivamogga, offers a unique experience in observing and interacting with elephants in a natural setting.

JOG FALLS

HOW TO REACH SHIVAMOGGA?

Shivamogga is well-connected to major cities of India by road, rail and air.

By Road : Shivamogga lies about 315 km from Bengaluru and is connected via NH-69. Regular KSRTC and private buses operate from Bengaluru, Mangaluru, Hubballi, and Mysuru.

By Train : Shivamogga Town Railway Station (SMET) is the main station. It is connected to Bengaluru, Mysuru, Hubballi and Chennai with daily trains like the Intercity Express and Jan Shatabdi apart from other 4 trains.

By Air : The newly operational Shivamogga Domestic Airport (RQY) offers direct flights to Bengaluru and is expected to expand connectivity. Alternatively, Mangaluru (200 km) and Bengaluru (300 km) airports serve as major international gateways with road or rail links to Shivamogga.

Shivamogga Airport (RQY) offers direct flights to Hyderabad, Bengaluru, Chennai, Tirupati, and Goa. Major airlines operating from Shivamogga include Star Air, SpiceJet, and IndiGo. Connecting flights are there to all the major cities of India.
